

WEBINAR

OPPORTUNITIES IN SEZs

28th of January 2021

ECCIL EuroCham Laos together with Savan Logistics and Savan Park Savannakhet, are pleased to invite you to the upcoming webinar event on the "Opportunities in SEZs" which aims at introducing participants to best practices and opportunities arising from Lao SEZs in order to ensure sustainable economic growth.

With the establishment of SEZs and the logistical attached to it, Laos is opening to the world, and now stands ready to grasp any economic opportunities tapping into its strategic location nestled at the heart of the booming ASEAN region is turning from "Impossible to I M Possible". Savan Seno Special Economic Zone is the first SEZ in Lao PDR strategically situated along the East West Economic Corridor (EWEC). It is also part of the Greater Mekong Sub-Region (GMS) development program. The SEZ has been gaining limelight as a new choice for businesses on the lookout for low-cost and low-risk investment.

In this session, panelists will discuss the advantages boasted by SEZs, how SEZs are innovating to attract new businesses and how they adapt to cope with the ongoing sanitary crisis subsequent economic fallouts.

Why should participants view this live webinar session:

- To better understand general knowledge about SEZs, Logistics and Connectivity in Laos
- To ensure participants understand the Rules and Regulations.
- To learn more about opportunities in SEZs .
- What is ahead for SEZs.
